Xero Health Check & Fixes

SERVICE THREE

Sometimes, knowing what is wrong is not enough. Your records may be inaccurate, your reports may not reflect reality or your Xero file may have become too disorganised to correct without practical support. **Xero Health Check & Fixes** combines a detailed review with agreed clean-up and correction work. We identify the issues, carry out the agreed fixes and leave you with a cleaner system that is easier to understand and manage going forward.

This Service Is for You If:

- You suspect your Xero records are inaccurate
- You inherited a disorganised or incomplete file
- You have fallen behind with your bookkeeping
- Your reports contain unexplained figures
- Balances do not match what you expect
- You need cleaner information before VAT or year-end
- You are ready to sort the problems out properly

The Work May Include:

- Correcting transaction errors
- Resolving duplicate or missing entries
- Correcting account allocations
- Reviewing VAT tax codes
- Reorganising the chart of accounts
- Cleaning up customer and supplier balances
- Reviewing opening balances
- Improving bank rules, automation and reporting

Pricing: Every file is different — get in touch for a quote tailored to your situation.

Xero Health Check & Fixes: The Process

SERVICE THREE — DETAIL

We identify the issues, carry out the agreed corrections and leave you with a cleaner, more reliable Xero system.

1

We Talk

We discuss the problems and what you need the system to achieve.

2

We Review

We identify the areas that need attention across your records and settings.

3

We Agree

We explain what we have found and agree the scope of work before proceeding.

4

We Fix

We complete the corrections and improve the relevant processes within your Xero file.

5

We Hand It Back

We explain the changes and show you how to keep the system working properly going forward.

Cleaner records and a more reliable system start with a conversation. **Message us on WhatsApp: 07554 875 574** or visit our website to view the full service and get started.
