Xero Set-Up & Running

SERVICE ONE

Moving to Xero or setting it up for the first time should make bookkeeping easier. When the foundations are not right, however, simple tasks can quickly become confusing. **Xero Set-Up & Running** is a complete set-up service for small businesses that want an organised, practical system built around the way they operate. We take care of the set-up and then show you how to use it confidently.

This Service Is for You If:

- You are starting a new business
- You are moving from spreadsheets or another system
- You have opened a Xero account but do not know what to do next
- You want to avoid common set-up mistakes
- You want to use automation effectively
- You prefer personal support to generic instructions

What You Will Leave With:

- A Xero account configured around your business
- Accurate opening information based on records provided
- Bank feeds, payment tools and apps connected
- Time-saving rules and automations
- Branded invoices and useful reporting options
- A clear everyday bookkeeping process
- A practical summary for future reference
- Greater confidence managing your own bookkeeping

Pricing: One clear fee of **£250** — everything agreed upfront, no surprises.

Xero Set-Up & Running: What Is Included

SERVICE ONE — DETAIL

The service covers everything needed to build a solid, working Xero system from the ground up. The final scope is always agreed before work begins, ensuring the set-up reflects your specific business needs. Your set-up may include bank feeds, opening balances, chart of accounts, VAT settings, invoice templates, payment services, bank rules, payment reminders, business app connections, reporting preferences and key dates.

1

We Talk

We discuss your business and what you need from Xero.

2

We Build

We configure the agreed parts of your account.

3

We Check

We review the completed system and test the key features.

4

We Hand It Over

We show you how it works and explain what to do next.

A properly organised Xero system can save time, reduce avoidable mistakes and make everyday bookkeeping easier. **Message us on WhatsApp: 07554 875 574** or visit our website to view the full service and get started.
